

National Safety Council - New England Chapter Presenter's Application Form

The National Safety Council - New England Chapter (NSC-NEC) invites those interested in presenting at our annual conferences to submit a proposal for review by the conference planning committees. The goal is to:

- Identify key issues facing safety & health professionals
- Expand their knowledge and skills through professional development
- Prepare for the challenges in safety & health fields
- Engage in the discourse concerning the profession
- Identify environmental, managerial, personnel and statutory issues relevant to the profession

Presentation Description & Length:

Sessions run in 60-minute blocks.

Describe your presentation and expected learning outcomes for attendees. Also, include the format and target audience. Complete a separate entry per topic you are interested in presenting.

Brochure Description:

Please provide a brief description of the presentation for inclusion in the marketing brochures.

Bio:

Please include name, address, education, current position, certifications, designations, qualifications and relevant speaking experience. You must provide contact information including work phone, cell phone, and email.

IMPORTANT:

1. Complete the application on the next page
2. Follow submission instructions on the application form
3. Separate applications are required for more than one topic of interest
4. Do not submit CDs, brochures or other promotional material at this time
5. Only electronic applications will be accepted
6. Incomplete submissions will not be considered
